**c) Roads and Footpaths**

A considerable number of potholes have been mended by CYC.

A new lamp-post has been erected at the junction of Manor Heath and Hallcroft Lane, but not yet commissioned.

The request for a pedestrian crossing has been considered by CYC, but the intention is to instead make the speed table opposite the surgery into a “crossing point”, and place bollards across the frontage of the Royal Oak. Cllr Carr will attend the CYC Committee meeting when this will be discussed. Cllr Carr

**8. PUBLIC MEETING re LOCAL PLAN**

This will now take place on 19<sup>th</sup> September 2018 in the Methodist Church.

To advertise this, there will be a leaflet drop of the whole village, posters will be placed around the village and on the website, and a notice will go in the September Newsletter. Cllrs Duffy/ Whitfield

There is no further news on the progress of the Local Plan.

**9. PUBLIC TRANSPORT and PARK & RIDE**

A major consultation is being held on the proposals for a new “transport hub” in the vicinity of the railway station.

The Park & Ride service has been extended later into the evening to cater for those attending the Shakespeare pop-up theatre in York.

## **10. DATA AUDIT**

Work on this is ongoing.

## **11. ALLOTMENTS**

All plots are now let.

It has been noted that some of the paths between plots are very overgrown. The thread on the plastic taps is wearing away, making it difficult to attach a hosepipe. A solution is being sought.

## **12. NEIGHBOURHOOD PLAN**

We have been informed by CYC that, due to new/EU regulations, more work is needed on the Habitat Survey. Cllrs Mrs Taylor and Whitfield will seek a meeting with CYC Officer Alison Cooke to see what is needed.

Judging has taken place, and the prizes will be presented at the Horticultural Show on 14<sup>th</sup> July. The competition will be re-launched next year.

## **14. PHOTOGRAPHIC COMPETITION**

A new poster has been designed by Cllr Mrs Magson and will be displayed around the village. One entry has already been received.

## **15. CARNIVAL**

Although busy earlier on, and probably due to the Football World Cup on TV there was a reduced number of visitors later in the afternoon. There were more stalls than in previous years, and more members of the organising committee.

## **16. COPMANTHORPE WARD**

There is still £15,000 in the budget for village projects and voluntary groups.

It is acknowledged that there has been a problem recently with green bin collections. CYC have said that this is due to a shortage of drivers.

The quality of grass cutting is not good, and weeds are growing through

on footpaths which have had slurry sealing.
