Information about keeping bees on the allotment site has been obtained.

The public meeting on the Local Plan and, specifically, the Tadcaster Road site, had been well received, and a further meeting as the Plan, and the Neighbourhood Plan, develop would be welcomed by the public.

The condition of Hallcroft Lane, Top Lane and College Road is very poor. Cllr Carr will see what can be done about this.

Cllr

The Neighbourhood Plan has been handed in to CYC and is being examined as the first stage of the first stage of the process towards a local referendum.

It is PROPOSED that the Copmanthorpe Volunteers clear the area, transplant some of the surplus trees from the Burial Ground and fill in at the front with spiky shrubs. This can be done at minimal cost. AGREED.
