

## ACTION

The Low Green/Top Lane footpath is very overgrown. The Copmanthorpe Volunteers will be asked to do what they can to clear a path through. Cllr Mrs Taylor

The Clerk has asked CYC for an update on the "No footpath for x metres" sign for Temple Lane, which had been promised for the end of March.

**c) Finance and Risk Assessment**

The Committee will meet, elect a Chairman, and revise its Terms of Reference. The report of the Internal Auditor will be considered. Cllr Auton will update the Budget Sheets. Clerk/Cllr Auton

**d) Allotments and Green Spaces**

The fence and gates at Yorkfield Lane, between Farmers Way and Loriners Drive, will be removed on 29<sup>th</sup> June, and offered for sale. CYC have confirmed that the gates are an obstruction to the highway and should be removed. This supersedes any agreement between any individuals.

A resident has expressed concern about the tree stumps which are left on the site. The Clerk has checked with our insurer's and ascertained that in the (very unlikely) event of anyone injuring themselves on these, this would be covered by our public liability cover.

The wildflowers on the Horseman Lane triangle are beginning to bloom.

**6. COPMANTHORPE WARD**

Cllr Steward has had discussions with Quickline, a broadband supplier who seek to help in areas where broadband is not good. They have identified 150 properties in Copmanthorpe.

Sec 106 monies in relation to the Moor Lane development will be going to education and health provision.

**7. HOWELL HALL**

Following discussions with the Hall's Management Committee and Peace of Cake, it has been agreed that the acoustic panels will be attached to the ceiling, rather than the walls.

**8. SPEEDING TRAFFIC ON TEMPLE LANE**

The Chairman has met with a representative of Celkom, and learnt that 70% of that Company's business is long haul and most of these vehicles leave early on Monday morning and return on Friday evening. The remaining 30% of vehicles are local, and the drivers do endeavour to keep to the speed limit.

CYC will definitely be funding the repairs to the bridge in Bishopthorpe, which should be carried out by the end of the year.

Following an email from a resident to Cllr Steward, it was AGREED that we should try to find some "Beware of horses" signage, to go on Temple Lane. Clerk

**9. PARISH COUNCIL EMAIL ADDRESS and WEBSITE**

It was AGREED that we should retain the Parish Council website in its current form. The Clerk will endeavour to find a suitable supplier to provide us with a .gov.uk domain name and .gov.uk email address.

Clerk

**10. NEIGHBOURHOOD PLAN**

The requested amendments to Part 1 have been made. Requests for amendments to Parts 3, 4 and 6 have now been received from CYC, and these will be discussed.

Cllrs  
Whitfield/  
Mrs Taylor

**11. YORKFIELD LANE and TADCASTER ROAD SITE**

The wildflowers are blooming in the Farmers Way/Loriners Close section.

We need to draw up plans for each section of Yorkfield Lane.

Miller Homes have been asked to suggest changes to the way in which Sec 106 monies have been allocated, giving only two lots of £66,000 each towards the development of Yorkfield Lane and a considerably larger amount to Askham Bog.

It is likely that building on York Field will commence in September/October.

**12. REC CENTRE 2**

Defer to next Meeting.

**13. GARDEN COMPETITION**

Disappointingly, only one garden entry and two allotment entries have been received to date. This is thought to be due to the extremely wet and cold weather in recent weeks.

**14. SIGNAGE**

It was AGREED that four signs for the Horseman Lane Wildflower Meadow, and three "No Parking" signs for the land in front of the burial ground, be purchased.

Clerk

**15. "TREMENDOUS"**

Before deciding on locations for any more trees, a map showing all the "green spaces" in the village is needed, and the location of any utilities will need to be checked.

**16. CARNIVAL**

A rota for manning stall is being drawn up by Cllr Whitfield.  
Information is being obtained from CYC – including some “No Cold Calling” stickers.

**17. EVENTS**

The D-Day “fish and chips” for the over 80 year olds has been very well received.  
The Parish Council is grateful to St Giles church for the use of the St Giles Centre, and also to all those who helped on the day, and to the Community Choir for providing entertainment.

The lighting of the commemorative beacon in the evening was attended by approx. 150 people.

The Christmas Event (Grotto) will take place on 7<sup>th</sup> December.
